

**Articulation Agreement
Between
Delaware Valley University
and
Southern Huntingdon County School District**

The goals of the articulation process are to:

- a. Provide students with a wide variety of academic coursework that prepares them for a baccalaureate degree.
- b. Recognize and reward students for university -level competencies achieved during high school, and
- c. Assist students in making a smooth transition from high school to post-secondary education.

University credits earned through this articulation agreement will offer students additional flexibility in course selection and allow students to earn credits that can be applied to their degree requirements.

Southern Huntingdon County High School students who successfully complete the CASE Introduction to Agriculture, Food and Natural Resources, CASE Principles of Agriculture Science – Plant, CASE Natural Resources and Ecology, CASE Small Gas Engines, and the Dairy Leaders of Tomorrow coursework can receive college credit from Delaware Valley University for the following courses:

- **CASE- Intro to Agriculture/Food and Natural Resources: (3 credits)-** This course satisfies 3 credits in AB 1100 Intro to Ag. Business, or 3 credits as a restricted elective.
- **CASE- Principles of Agricultural Science- Plant: (3 Credits) –** This course satisfies 3 credits of restricted electives in the Plant Science major.
- **CASE- Natural Resources and Ecology-(3 credits)-** This course satisfies 3 credits in LAES 3125 Principles of Ecology.
- **CASE-Small Gas Engines and/or Structural and Technical Systems-(3 credits)-** This course satisfies 3 credits as PS 2201 Ag Engineering and Power Apps.
- **Dairy Leaders of Tomorrow** high school students who successfully complete the **Dairy Leaders of Tomorrow** high school curriculum; **Introduction to Dairy, Introduction to Dairy Herd Management, Introduction to Dairy Business Management, and Introduction to Dairy Technologies**, can receive a total of (6 credits) from Delaware Valley University for the following courses:
 - **Introduction to Dairy - (3 credits)-** This course satisfies 3 credits in AS 1000 Survey of Animal Agriculture. •
 - **Intro to Dairy Herd Management/Intro to Dairy Business Management/Intro to Dairy Technologies – (3 credits)-** Successful completion of these three courses satisfies 3 credits in DS 3000 – Selected Topics.

Acceptance of the curriculum by Delaware Valley University for these credits is based on the following:

- Southern Huntingdon County School District students must successfully complete the CASE and the Dairy Leaders of Tomorrow classes identified above with a “B” average or higher (3.0 GPA on a 4- point scale), and submit an official transcript to the Delaware Valley University, listing the courses and grades received by the student.

The signatures below indicate agreement to the course equivalents and stipulations listed in this document between Southern Huntingdon County School District and Delaware Valley University. The terms of this agreement will be reviewed periodically to reflect changes in curriculum and course offerings.
