

The Southern Huntingdon Rocket Band Boosters

The Rocket Band Boosters are an essential part of our band program. The Boosters exist to help financially and personally support the band students throughout the school year. Each year, the SHC Band Boosters open the food booth for varsity, junior varsity, and junior high home football games. The food booth is a main source of income for our boosters.

Money that is raised through the food booth is used for the following (this is not an all-inclusive list):

- Equipment for the band and band front.
- Marching band and band front uniforms.
- Assistance with camp expenses.
- Gifts for graduating seniors.
- Dry cleaning marching band and band front uniforms.
- Scholarships for graduating seniors.
- Goodies and treat bags for students attending festivals.
- Snacks and drinks for festivals hosted at SHC.
- Transportation costs as needed.
- Costs associated with the band banquet.

The Band Boosters rely on volunteer band parents to help operate the food booth for each home game; we are asking that you, as a band parent, be one of those volunteers this year. As someone who has worked in the food booth, it can be a lot of fun if there are enough people to share the work load. If you know of individuals in the community that would enjoy helping in this capacity, please reach out to them. We would love for them to join us!

On the back of this letter is a schedule of the home football games for the season. Please check the games that you are able and willing to work; if you are able to help anytime, please check that box instead. A schedule will be made available to you to confirm the games you are scheduled to work.

If EVERY band parent volunteered for the food booth, no one would have to work more than one game. PLEASE do your part, so that the responsibility does not have to unfairly fall on a small group of people. If you sign up to work a game and are unable to fulfill your duty, you are responsible to find someone to step in for you. You can change your dates anytime by getting in touch with the following individuals; Kelly McMullen, Michelle Book, or Mr. Clewell.

All of us working together can make this a fun and enjoyable experience! Thank you in advance for the help you can give this year. We appreciate your willingness to serve our students in this manner.

For the SHC Band Boosters,

Tyler Clewell
SHC Band Director
