

~ Middle School Band Lessons ~

All middle school band students are expected to attend their band lesson. Lessons are held outside of the regular rehearsal time. A student may make arrangements with Mr. Clewell to miss a band lesson **BEFORE** the scheduled lesson to take a test or make up assignments.

How are we graded?!

Band lessons are 10 points and they are a part of your middle school band grade.

Points	Why did I earn this grade?
10/10	The student is fully prepared, actively engaged in instruction, and gave their best effort during the lesson.
8/10	The student is not prepared (missing instrument or music), but was actively engaged in instruction during the lesson. -OR- Mr. Clewell had to call to retrieve the student from their class.
0/10	The student did not show up for their lesson.
Excused or exempt	The student is absent, left school early, or made prior arrangements with Mr. Clewell to miss their lesson (e.g. making up work, testing, or failing a class).

Points will be deducted for inappropriate classroom behavior.

Students are expected to get their instrument and music ready after entering the band room. Students should begin warming up on their own before the lesson begins.
